CENTAUR LINIMENT:

There is no pain which the Centaur Liniment will not relieve, no swelling it will not subdue and no lameness which it will not cure. This i strong language, but it is true. Where the parts produced more cures of rheumatism, neuralgia, lock-jaw, palsy, sprains, swellings, calcul-brease, scalds, burns, salt-rheum, car-sche, &c., upon the human frame, and of strains, spavin, galls, &c., upon animals in one year than have all other pretended remedies since the rid began. It is a counter-irritant, an allcrutches, the lame walk, poisonous bites are as by increasing the number of consumers in rendered harmless and the wounded are healed your immediate vicinity?

without a sear. It is no humbug. The receipt is published around each bottle. It is selling as no article ever before sold, and it sells because it article ever before sold, and it sells because it does just what it pretends to do. Those who new suffer from rheumatism, pain or swelling descrip-to suffer if they will not use Gentaur Linfords. More than 1000 certificates of remarkable cure including frezen limbs, chronio-rheumatism gold, running tumors, &c., have been received. We will send a circular containing certificates. the recipe, &c., gratis, to any one requesting it One bottle of the yellow wrapper Centaur Lini-ment is worthone hundred dollars for spavined or sweenied borses and mules, or for screwworm in sheep. Stock-owners this liniment ! worth your attention. No family should be without Centaur Liniment. J. B. Rose & Co.

Castoria is more than a substitute for Castor Oil. It is the only safe article in existence which is certain to assimilate the food, regulate the bowels, cure wind-colic and produce natura sleep. It contains neither minerals, morphine o alcot of, and is pleasant to take. Children nee not cry and mothers may rest. Jan20-6m A WORD TO TRAVELERS.

sharp.-[Saline Progress. It is said that the grape crop about Hermann, Gasconade county, will be an entire failure this year, with the exception perhaps of the Concord grape, which fortunately withstood Pair. the rigors of the past winter. The people of Saline county condown the action of the county cour in making the new jail appropriation of \$20,000. mitted at St. Genevieve, Mo., on the 17th inst. Two men entered the bank, Pure ground. orced the cashier to open the safe and then made him accompany them they rejoined a number of confeder party then code away. A son of the President of the bank was standing near by when the cashier was overpowered, who ran away, receiving a slight wound from a shot. The robbers got about \$3,500 in money When leaving the cashier they saluted him with several shots. Nearly one hundred yards in depth of the river bank have been washed away from in front of New Madrid, Price List of Lumber-per 1000. Mo., this spring. There now seems to be no doubt that the Bender family have either escaped into Mexico or are making body, and is its ultimate death. From the foregoing conclusions we draw our deductions as to the rational recomplice, was eaught up with in accomplice, was eaught up with in Texas, and committed suicide on the way back to the scene of horror.

Strike of the climination and climination. Thus we soon have an inhighent power capable of generating its own morbid poison, paralyzing the function of the body, and is its ultimate death. From the foregoing conclusions we draw our deductions as to the rational treatment (expressed briefly) supports, and proper climination.

The Fulton Mail says Callaway cannot be way back to the scene of horror.
